

Driving Your Competitive Edge Outsourcing Advantages

As technology rapidly changes, facilities reliance and uptime are no longer just buzzwords—they are expectations. Viox understands those expectations which is why we've bundled together a unique blend of facilities, energy, and project management services for headquarters, manufacturing space, data centers, monitoring centers, test labs, and military defense environments. We manage facilities operations 24/7/365 for over 11,000 geographically dispersed customer locations, and across EMCOR we manage nearly 600 critical data centers.

Benefits You Can Count On

- » 24/7 Coverage in Your Area: Serving 11,000 customer locations across the U.S.
- » Guaranteed Peace of Mind: We self perform 75% of all contracted work with our own trained and certified technicians
- » Extensive experience with GMP regulations
- » Decreased risk using our world class safety and continuity planning programs
- » Flex-a-Trade: Allow staffing flexibility without the overhead costs
