**As a single source provider, Viox has nearly 70 years of experience in facilities services, and has the people, processes, technology, and experience required to handle a full range of facility services specific to the Long Term Care industry.**

Viox is committed to help long term care facilities operate at peak levels. Through the application of the Eden Alternative™ and best in class processes, our goal is to enhance your residents' quality of life as it relates to their environment. Together these capabilities enable us to offer you all the facilities services you need to support your business while enhancing the marketability of your facility.

### Benefits You Can Count On

- » Currently manage over 5 million square feet of healthcare and social assistance facility space
- » Currently maintain over 100 acres of grounds and landscaping
- » Single source solution
- » Award winning safety record
- » Experience supporting Long Term Care facilities for over 25 years
- » 98% customer retention rate
- » Customized programs to meet stringent facility requirements

### **Viox Maintains the Following:**

- » Social Assistance
- » Retirement Homes
- » Long Term Care Facilities
- » Home Healthcare Services
- » Hospitals

We recognize now more than ever, retirement communities and long term care clients are under pressure to reduce costs and create efficiencies while ensuring their facilities are maintained in pristine condition. That is why we designed this program to take a holistic approach to maintaining your facility—we do it all.

By creating a goal-oriented strategy, specifying task accountability, designing informative reporting tools that enable continuous improvement, and delivering superior service, Viox helps you manage your facilities in ways that enhance productivity, energy efficiency, and cost control. It's a complete package of facilities management services that gives you a real solution to your real-world challenges.
