**Viox Services helps educators get more from their buildings and their budgets through our facility maintenance program designed specifically for the education industry. With over 60 years of experience in facilities maintenance, Viox Services combines our knowledge and technical expertise to help you create a more dynamic learning environment. We are committed to respond effectively to today's complex energy, productivity, and facility challenges.**

**What our clients say:**

*Our standard was 100% reactionary—if it wasn't broken, we ignored it. Viox provided us with a preventive maintenance solution, and whenever we have a need for service, they deliver it instantaneously!*

– Villa Madonna Academy

*Viox Services reduced our facilities' operational budget by 10%!*

– Reading Community Schools

We recognize now more than ever, schools are under pressure to cut costs and create efficiencies within their facility operations. That is why we designed this program to take a holistic approach to maintaining your facility — we do it all. Furthermore, we give you the quality metrics and comprehensive reporting so that you can hold us accountable for the work we provide. We want to lighten your load so you can focus on what is truly important — the education of our youth.

Our experience and reputation for quality means that no matter how complex and demanding your facilities challenges are, we have a solution for you.

**What our clients say:**

*Viox Services always deals with facility issues immediately! They allowed us to keep our people on the payroll – they listened when we told them where the talent was for the services we needed.*

– New Miami Local School District

*We just make one call and the expertise we need walks through the door. Viox has a family-oriented culture, and they provide a hometown feel with big city service results.*

– Mother of Mercy High School
