As a single source provider, Viox has nearly 70 years of experience in facilities services, and has the people, processes, technology, and experience required to handle the full range of facilities services specific to the banking and financial services community.

Viox takes a holistic approach to maintaining your entire portfolio — from thousands of banking centers to commercial office space to data centers, and all of the facility spaces in between — we do it all. Furthermore, we provide you with the quality metrics and comprehensive, customized reporting to ensure Viox is meeting and exceeding your service requirements. **Even if the market is down, your facilities won't be.**

Benefits You Can Count On

- » Reduced facilities expenses
- » Consolidated, reduced vendor base
- » All maintenance activity is captured and reported via a customized work management program
- » Limiting liability from non-compliance
- » Data analytics performed to drive continuous improvements to your portfolio
- » Currently providing services to over 35 Million square feet of financial services space
- » Nationwide presence, currently maintaining over 6,000 financial services sites

Representative Clients:

- » Credit Suisse
- » Fifth Third Bancorp
- » First Financial Bank
- » Morgan Stanley
- » State Bank of Lizton
- » US Bank

We recognize now more than ever, financial services clients are under pressure to create efficiencies and increase productivity within their portfolios. Our vast experience providing services to the banking and financial services industry, and our reputation for quality means that no matter how complex and demanding your facilities challenges are, we have a solution for you.

By creating a goal-oriented strategy, specifying task accountability, designing informative reporting tools that enable continuous improvement, and delivering superior service, Viox helps you manage your facilities in ways that enhance productivity, energy efficiency, and cost control.
